

EHTISHAM ALI

Software Developer

CAREER SUMMARY

Motivated and detail-oriented graduate in Information Systems and Technology Management with a strong interest in software development and IT solutions. Possesses foundational knowledge of databases, data analysis, and system management, along with a keen ability to learn new technologies quickly. Seeking an opportunity to join a software house where I can apply my skills, gain practical experience, and contribute to real-world projects while continuously improving my technical expertise.

EXPERIENCE

Full Stack Developer Internship

Oct 2025 - Feb 2026

Completed a hands-on internship focused on JavaScript development, where I gained practical experience in building interactive web applications. Worked with core concepts such as DOM manipulation, event handling, and API integration. Collaborated on small projects, improved debugging skills, and learned to write clean and efficient code.

LEARNING & DEVELOPMENT

Currently learning Python to expand programming skills and deepen understanding of backend development, problem-solving, and scripting. Actively practicing through small projects and online resources.

PROJECTS:

TASK MANAGEMENT SYSTEM (NEXT.JS)

- Implemented JWT-based authentication (signup/login)
- Admin can assign tasks and track user progress
- Displayed completed tasks with user name and completion time
- Visualized pending vs completed tasks using charts

Technologies: Next.js, JavaScript, JWT, REST APIs

E-COMMERCE STORE (REACT)

- Developed a responsive e-commerce web application using React.
- Implemented product listing, cart functionality, and basic UI interactions

CRUD APPLICATION (MERN STACK)

- Built a full-stack CRUD application using Express.js, React, and MongoDB.
- Performed Create, Read, Update, Delete operations with REST APIs
- Integrated frontend with backend and managed database operations

EDUCATION

Bachelor of Information Systems & Technology Management

2021 - 2025

NACBA&E(DHA Campus)

- Relevant Coursework:** MIS, DBMS, DSA, Technical & Business Writing, Statistics, Accounting & Finance, Modeling and Simulation, OOP.
- GPA: 3.55

SKILLS

- HTML
- CSS
- JavaScript
- Python
- React.js
- Node.js
- Next.js
- Express.js
- MongoDB
- Django
- FastApi
- Git
- REST API
- JWT Authentication
- Power BI
- MS Office
- Problem Solving
- Debugging
