Karbath bedian road Lahore

Portfolio Link : <https://portfolios-weld-nine.vercel.app/>

SUMMARY

Motivated and detail-oriented graduate in Information Systems and Technology Management with a strong interest in software development and IT solutions. Possesses foundational knowledge of databases, dataanalysis, and system management, along with a keen ability to learn new technologies quickly. Seeking an opportunity to join a software house where I can apply my skills, gain practical experience, and contribute to real-world projects while continuously improving my technical expertise.

WORK EXPERIENCE

Quality Assurance Intern | 7Kings Code |

May 2026 – Present

Performing manual and automation testing using Selenium, executing and maintaining test cases, identifying and reporting bugs, validating application functionality, and collaborating with the QA team to ensure software quality and improve testing efficiency.

Full Stack Web Developer Intern | WebEvis Technology |

Oct 2025 – Mar 2026

Completed a hands-on internship focused on JavaScript development, where I gained practical experience in building interactive web applications. Worked with core concepts such as DOM manipulation, event handling, and API integration. Collaborated on small projects, improved debugging skills, and learned to write clean and efficient code.

PROJECTS:

TASKMANAGEMENTSYSTEM(NEXT.JS)

- Implemented JWT-based authentication (signup/login)
- Admin can assign tasks and track user progress
- Displayed completed tasks with user name and completion time
- Visualized pending vs completed tasks using charts
- Technologies: Next.js, JavaScript, JWT, REST APIs

EDUCATION

Bs Information Systems & Technology Management

Jan 2021 – Dec 2025

NACBA&E(DHA Campus)

Relevant Coursework: MIS, DBMS, DSA, Technical & Business Writing, Statistics, Accounting & Finance, Modeling and Simulation, OOP.

GPA: 3.55

KEY SKILLS

- | | | |
|--------------|--------------|----------------------|
| • HTML | • Next js | • REST API |
| • CSS | • Express js | • JWT Authentication |
| • JavaScript | • MongoDB | • Power BI |
| • Python | • Django | • MS Office |
| • React js | • FastApi | • Problem Solving |
| • Node js | • Git | • SQL |
